

DASHBOARD REPORTING SERVICES

Dashboard reporting experts serving as your ready-made data team.

Supporting Non-Profit Organizations

**Perrynorm
Analytics**

The Problem

- **Scattered data** across spreadsheets and systems
- **Hours wasted** manually pulling together reports
- **Missed opportunities** because trends go unseen
- **Stress** and uncertainty **before board meetings**
- **Data and reporting skills** missing in the organization

The Solution

A single powerful dashboard view that combines all scattered data for easy monitoring and decision making.

Benefits

- 🕒 **Save Time**
- 📊 **Confident Decision Making**
- 💡 **Uncover Insights**
- 🚀 **Reduce Stress**

Dashboard Includes:

- Program Outputs
- Outcomes/Impact Metrics
- Funding & Compliance
- Client Demographics
- Grant Tracker
